1. Introduction:

Greenway Construction Inc. ("the Company") invites qualified suppliers to submit quotations for the supply and delivery of various construction materials for the new Greenway Office Building project located at 456 Building Drive, Building City, State, Zip Code.

2. Project Overview:

The Greenway Office Building is a commercial project consisting of a 10-story office complex with an approximate construction area of 200,000 square feet. The project will commence on January 10, 2024, and the materials will be required on site by January 25, 2024.

3. Requested Materials:

The Company is seeking quotations for the following materials:

500 cubic yards of ready-mix concrete, strength of 4000 PSI
10,000 concrete masonry units (CMU), 8"x8"x16"
1,000 square feet of 1/2" tempered glass for exterior windows
300 tons of structural steel I-beams, various lengths
200 sheets of 4'x8' plywood, 3/4" thickness

4. Specifications:

All materials must meet the current industry standards and be suitable for their intended use in commercial construction. Suppliers must include product specification sheets with their quotations.

5. Delivery Requirements:

All materials must be delivered to the construction site on or before the specified date. Delivery times will be coordinated with the Company's Site Manager upon award of the contract.

6. Quotation Submission:

Quotations must be submitted in a sealed envelope, clearly marked with the RFQ Number and Title. All quotations must be inclusive of delivery charges and applicable taxes. Suppliers must provide a detailed breakdown of costs for each material requested.

7. Selection Criteria:

Quotations will be evaluated based on the following criteria:

- Price competitiveness
- Compliance with the material specifications
- Delivery terms
- Supplier's past performance and reliability

8. Terms and Conditions:

Quotations must remain valid for a period of 60 days from the submission deadline. The Company reserves the right to accept or reject any quotation in whole or in part. The award will be made to the most responsive and responsible supplier whose offer conforms to the RFQ requirements.
